

Technical data sheet

Testing unit for lightning barriers

Item number: 5096786

OBO Life Control allows function control of the MDP lightning barriers.

The lightning barriers can be checked while installed. Life Control will not have any influences on the measuring signal.

Life Control possesses an integrated OLED with visual and acoustic defect signalling. A separate LED inside the testing pin is also integrated.

Life Control is delivered in a case, complete with a CD and instructions.

Master data

Item number	5096786
Type	LFC
Description 1	Life Control
Description 2	Test. unit lightning barriers
Manufacturer	OBO
Smallest sales unit	1
Unit of quantity	Piece
Weight	164.5 kg
Weight unit	kg/100 pc.

Technical data

Nominal voltage	9 V
Signalling on device	Optical and acoustic
Version, testing device for surge protection	Testing case
Application, testing device for surge protection	Information technology
Evaluation, testing device for surge protection	On the test device
